TECHNICAL SKILLS

- **Languages:** Python, HTML5, CSS3, SQL (MySQL, MariaDB)
- **Frameworks & Libraries:** Django
- **Developer Tools & Databases:** Git, GitHub, MySQL Workbench
- **Core Competencies:** Full-Stack Web Development, Relational Database Design, Object-Oriented Programming (OOP), Technical Troubleshooting, Client Communication

TECHNICAL PROJECTS

Finance Calculator | *Python*

- Developed a dynamic finance calculator application to assist users with budget planning and financial tracking.
- Implemented clear logical formulas for real-time calculations and user-friendly interface interaction.

Shelf Tracker Database | *Python, MySQL / MariaDB*

- Designed and built a relational database tracking system to manage inventory data efficiently.
- Structured SQL queries to support accurate data insertion, updates, and fast information retrieval.

Task Manager Application | *Python, Django, HTML/CSS*

- Created a full-stack task management application enabling users to organize, update, and track daily goals.
- Utilized Django ORM for seamless backend database management and created responsive UI layouts.

WORK EXPERIENCE

Ariel's Plumbing | San Bruno, CA

Apprentice / Plumber Technician | May 2021 – March 2026

- Diagnosed and resolved complex physical system failures across commercial and residential locations (water heaters, piping, fixture installations).

- Applied rigorous logical troubleshooting to isolate root-cause issues under strict time constraints.
- Communicated directly with clients to explain technical assessments, build trust, and ensure high quality of service.
- Collaborated tightly within a small crew, maintaining strict compliance with safety codes, blueprint standards, and operational procedures.

EDUCATION & TRAINING

Software Engineering HyperionDev Bootcamp | *April 2026 - Present*

- Intensive training covering Python, full-stack web development, and database architecture. Under University of San Francisco

Capuchino High School | San Bruno, CA

High School Diploma | Aug 2014 – June 2018

COMMUNITY LEADERSHIP & VOLUNTEER WORK

- **Spotter / Loader Volunteer**, *Peninsula Barbell & Bay Area Barbell Competitions* | Dec 2023 – July 2026
Managed stage platform management, athlete safety, and high-weight loader logistics for regional powerlifting meets.
- **Youth Coach Volunteer**, **Mega Sports Camp (Pinnacle Village)** | July 2017
Coached youth groups on athletic fundamentals, teamwork, and active sports exercises.
